

Member Service Director – Interior , Bob Dieno

Bob Dieno Bio
#148
Kamloops, BC

I have been officiating high school and community football since 2006. I played high school football,
Coach (both assistant and head coach) both Norkam and Valleyview programs from 1996 until 2005.

I enjoyed being involved in the game and working with younger kids and coaches to make sure they
Understand the rules of the game.. trying to help them understand why the call was made so
Can become better going forward.

I have worked all positions, except head referee and mostly enjoy umping or head linesman. I did all the
Reading to start to learn the head referee position (for highschool) in 2021 then covid19 and in the interior we only
had community to officiate.

I feel it is very important for all the officials to be on the same game page. Understand the annual changes and
Making sure we are making the game safe for all the players, coaches, volunteers and referees.

Thanks
Bob
