

# Director of Member Services – Vancouver Island Report

During the 2020 season no football was played at any level due to COVID – 19.

Regarding Officials, there was one retirement: Mike Gatto #9. Due to the lack of football in 2020 recruiting of new officials was challenging and resulted in no new recruits. Our region di have 2 transfers in, one from the Mainland and one from Calgary Alberta.

This concludes my report.
