

Ed Jerick – Lower Mainland – Member Service Director

I have been officiating since the early 1980's, at all levels from PeeWee to University. I was on the Executive of BCFOA, representing the Northern Region, for many years while I lived in Prince George. If given a task by the BCFOA I would be able to carry it out effectively, whether working alone or with a team. Having spent many years working at a Crown Corporation, I have learned to get jobs done from start to finish, without bias, without preconceived outcomes in mind, and without 'political' agendas. I am confident that I would be able to provide BCFOA with the same level of professionalism towards any duties that a Member at Large would be required to accomplish.

Ed Jerick.
