

Tracy Paluzzi, Lower Mainland Candidate – Lower Mainland

Hi,

Hope this email finds you well. As requested, please see my below below.

If it wasn't for Covid, I would have completed my 10th season this year. I am a Level 3 tackle official with Football Canada. My highest level of officiating is CEGEP (Quebec) and I am currently on the Junior panel with BCFOA. I have been a member of BCFOA since 2019. Prior I was a member of Lakeshore Football Association (Ontario) and APAFQ (Association Provincial des Arbitres de Quebec in Quebec). In 2017, I officiated the IFAF International Women's Tournament in Langley, BC. In 2018, I officiated playoff games in Tasmania, Australia. Since 2017, I have been a ball coordinator for the CFL (Hamilton & BC). Throughout my football career, I have worked many playoff, all-star and Provincial Championship games. I have also attended several CFOA Conferences, Ross Perrier Football Clinics (Hamilton On) and provincial clinics. As a daughter of an official, I have grown up on the sidelines and have developed a great passion and love for the sport. I am submitting my name for candidacy for the position of Members Director for Lower Mainland so that I can give back to the sport that I love so much!!

Kind regards,

Tracy Paluzzi #49
